

2010 ANNUAL 'MITO' FAMILY PICNIC

Picnic Time!

Join us for the annual 'mito' family picnic at Cottage Lake Park in Woodinville! This fun event is great way to meet other families & kids dealing with mitochondrial disease. Enjoy the park, fun activities for the kids, and a water balloon toss. Bring a main dish and a side dish to share potluck style. We look forward to seeing you!

Host: The Mitochondrial Research Guild

Date: August 7, 2010

Time: 11:00—2:00 p.m.

Location:

COTTAGE LAKE PARK, PICNIC SITE #2

Heading east on Wood-Duvall Rd, pass the main parking lot and turn into the smaller lot (just before the small strip mall)

**NE Woodinville-Duvall Rd & 188th NE
Woodinville, WA 98072**

Contact:

Cindy Cruz 425-742-5030 or rella19@comcast.net

What to Bring:

- Main course for your family
- Side dish to share potluck style
- We will have a BBQ fired up if you want to bring something to cook
- Sunscreen

Directions:

Cottage Lake Park is located East of Woodinville. From I-405 North or South take State Route 522 and exit at NE 195th St (Woodinville-Duvall Rd) heading East. The park is located on the right (South) side of the road about 3 miles from Route 522. We are in Picnic Site #2 so pass the main parking lot and park in the East lot (closer to Safeway). Look for the Mito signs.
